

## Arch Coal Commences Public Offering of Common Stock

ST. LOUIS, May 31, 2011 /PRNewswire/ -- Arch Coal, Inc. (NYSE: ACI) ("Arch") today announced that it has commenced an offering of 44.0 million shares of its common stock pursuant to an automatic shelf registration statement on Form S-3 previously filed with the Securities and Exchange Commission (the "SEC"). Arch intends to grant the underwriters of the common stock offering an option for 30 days to purchase up to 6.6 million additional shares of common stock to cover over-allotments, if any.

Arch plans to use the net proceeds of the offering to partially fund Arch's acquisition of International Coal Group, Inc. ("ICG") and related transactions, including the redemption, payment of cash resulting from conversion of, or other retirement of certain outstanding ICG indebtedness. If the acquisition is not completed, Arch intends to use the net proceeds from this offering for general corporate purposes, which may include the financing of future acquisitions, including lease-by-applications, or strategic combinations, capital expenditures, additions to working capital, repurchases, repayment or refinancing of debt or stock repurchases.

This press release is neither an offer to sell nor a solicitation of an offer to sell or a solicitation of an offer to buy any securities.

Morgan Stanley & Co. Incorporated, PNC Capital Markets LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc. are the joint book-running managers for the common stock offering.

Arch has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and the applicable prospectus supplement and other documents Arch has filed or will file with the SEC for more complete information about Arch and this offering. You may get these documents for free by visiting EDGAR on the SEC website at [www.sec.gov](http://www.sec.gov).

*Forward-Looking Statements: This press release contains "forward-looking statements" -- that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," or "will." Forward-looking statements by their nature address matters that are, to*

*different degrees, uncertain. For us, particular uncertainties arise from changes in the demand for our coal by the domestic electric generation industry; from legislation and regulations relating to the Clean Air Act and other environmental initiatives; from operational, geological, permit, labor and weather-related factors; from fluctuations in the amount of cash we generate from operations; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. For a description of some of the risks and uncertainties that may affect our future results, you should see the risk factors described from time to time in the reports we file with the SEC.*
