

Arch Western Finance, LLC Completes Consent Solicitation for Its 6 3/4% Senior Notes due 2013

ST. LOUIS, May 15, 2012 [/PRNewswire/](#) -- Arch Coal, Inc. (NYSE: ACI) today announced that Arch Western Finance, LLC ("Arch Western Finance"), its indirect subsidiary, successfully completed its consent solicitation with respect to its 6 3/4% Senior Notes due 2013 (CUSIP Nos. 03939RAB6, 03939RAA8, U22142AA8, 03939RAC4 and U22142AB6) (the "Notes").

On May 1, 2012, Arch Western Finance commenced a cash tender offer (the "Tender Offer") for any and all of the Notes. In connection with the Tender Offer, Arch Western Finance solicited consents (the "Consent Solicitation") from the holders of the Notes for certain proposed amendments to the indenture governing the Notes (the "Indenture"). The deadline for tendering Notes to be eligible to receive a consent payment in connection with the Consent Solicitation was 5:00 p.m., New York City time, on May 14, 2012 (the "Consent Expiration"). As of the Consent Expiration, Arch Western Finance had received tenders and consents representing \$304,004,000 in aggregate principal amount of the outstanding Notes. The consents received exceeded the minimum needed to amend the Indenture. Accordingly, Arch Western Finance and The Bank of New York Mellon Trust Company, N.A., as trustee, have executed a supplemental indenture that eliminates most of the covenants and certain default provisions applicable to the Notes and reduces the minimum notice period in the optional redemption provision of the Notes from 30 days to three days.

Arch Western Finance will make a cash payment of \$1,002.50 per \$1,000 principal amount of Notes, which includes a consent payment of \$30.00 per \$1,000 principal amount of Notes, plus accrued and unpaid interest from the most recent interest payment date on the Notes up to, but not including, the initial settlement date, to the holders of Notes who tendered prior to the Consent Expiration. The initial settlement date will be a business day of Arch Western Finance's choice promptly following the satisfaction or waiver of the conditions to the consummation of the tender offer.

The Tender Offer will expire at 11:59 p.m., New York City time, on May 29, 2012, unless extended (such date and time, as the same may be extended, the "Expiration Time"), with final settlement expected to occur on the following business day after the Expiration Time.

Remaining holders who validly tender their Notes after the Consent Expiration and before the Expiration Time will be eligible to receive \$972.50 per \$1,000 principal amount of Notes, plus accrued and unpaid interest from the most recent interest payment date on the Notes up to, but not including, the final settlement date. Any extension, termination or amendment of the Tender Offer will be followed as promptly as practicable by a public announcement thereof.

The terms and conditions of the Tender Offer and Consent Solicitation are described in an Offer to Purchase and Consent Solicitation Statement, dated May 1, 2012 (the "Statement"), and a related Consent and Letter of Transmittal, which have been sent to holders of Notes. Arch Western Finance's obligations to accept any Notes tendered and to pay the applicable consideration for them are set forth solely in the Statement and the related Consent and Letter of Transmittal.

This news release is not an offer to purchase, a solicitation of an offer to sell, or a solicitation of consents with respect to any securities. The Tender Offer and Consent Solicitation are made only by, and pursuant to the terms of, the Statement and the related Consent and Letter of Transmittal, and the information in this news release is qualified by reference thereto. None of Arch Coal, Arch Western Finance, the Dealer Manager and Solicitation Agent or the Depositary and Information Agent makes any recommendation in connection with the Tender Offer and the Consent Solicitation. Subject to applicable law, Arch Western Finance may amend, extend or, subject to certain conditions, terminate the Tender Offer or the Consent Solicitation. In addition, this news release does not constitute a notice of redemption of the Notes under the optional redemption provisions of the Indenture.

Forward-Looking Statements: This press release contains "forward-looking statements" -- that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, particular uncertainties arise from changes in the demand for our coal by the domestic electric generation industry; from legislation and regulations relating to the Clean Air Act and other environmental initiatives; from operational, geological, permit, labor and weather-related factors; from fluctuations in the amount of cash we generate from operations; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. For a description of some of the risks and uncertainties that may affect our future results, you should see the risk factors described from time to time in the reports we file with the Securities and Exchange Commission.
